**INTRODUCTION**

Thank you for choosing Japan Walk-Caster's Edo Castle audio tour. This tour begins from just outside the Otemon gate at the entrance to the East Garden of the Imperial Palace, Tokyo. Start each track after you reach the corresponding audio point, so listen to track two after you reach location 2 on the map.

This is up to a three hour walking tour through the remains of the stronghold of Tokugawa shogunate for over 250 years. History, legend, and mystery come alive here in the middle of modern Tokyo.
