INTRODUCTION

Thank you for choosing Japan Walk-Caster's Kyu Furukawa audio tour. Start each track after you reach the corresponding audio point, so listen to track 2 after you reach location 2 on the map.

This is a one to two hour walking tour of one of Tokyo's most important period gardens. The garden, like much of Meiji Japan, is a mixture of Western and Japanese and never fails to delight the visitor.

This tour is only available during garden hours. Be sure to enter with enough time to complete the tour.
